

Announcement #24-22

Date: March 7, 2024

Final Multi-Factor Authentication Implementation

As part of our commitment to maintain the highest quality and security of client data, Pennymac has finalized implementation of Multi-Factor Authentication (MFA) Technology in the P3 client portal with enforcement effective **Friday, March 8, 2024**.

Any issues or challenges requiring technical support should be directed to pcg.web.support@pennymac.com.

Please contact your Account Executive or Pipeline Account Manager with any questions.
